

Year 9 Science Topic List

Biology (Organisation):

- Digestive System
- Lungs
 - Adaptations of lung
- Circulatory System
 - Heart
 - Blood Vessels
 - Cardiovascular disease and their risks

Chemistry:

- **Atomic Structure and the Periodic Table:**
 - Atomic Structure
 - History of the Atom
- **Bonding Structure and Properties of Matter:**
 - Ionic Bonding
 - Covalent Bonding

Physics:

- **Energy:**
 - Energy Sources
- **Electricity:**
 - Power
 - Plug
 - National Grid
