

- Sequences
- Fractions (mixed and improper), decimals and percentages
- Matching graphs
- Congruent triangles
- Parallel lines and angles
- Stem and leaf
- Standard form
- Ratio and proportion
- Negative powers
- Frequency tables
- Cumulative frequency graphs
- Mass, density and volume
- Probability
- Parallel and perpendicular lines
- Estimation
- Rearranging formulas
- Reverse percentage
- Functions
- Surds
- Vectors
- Areas of circles and sectors
